### 1. SCOPE

This Privacy Policy applies to personal information processed by us, including on our websites and other online or offline offerings. To make this Privacy Policy easier to read, our websites and other offerings are collectively called “**Services.**”

**An Important Note:** This Privacy Policy does not apply to any personal information that may be collected or processed by third party users of the Protocol (“**Third Party Protocol Users**”). Such Third Party Protocol Users’ respective privacy policies govern their collection and use of personal information.

## 2. PERSONAL INFORMATION WE COLLECT

The categories of personal information we collect depend on how you interact with us, our Services, and the requirements of applicable law. We collect information that you provide to us, information we obtain automatically when you use our Services, and information from other sources such as third-party services and organizations, as described below.

### **A. Information You Provide to Us Directly**

We may collect personal information automatically when you use our Services:

#### **Automatic Data Collection**

We may collect certain information automatically when you use our Services, such as your Internet protocol (IP) address, user settings, MAC address, cookie identifiers and other unique identifiers, browser or device information, location information (including approximate location derived from IP address), and Internet service provider. We may also automatically collect information regarding your use of our Services, such as pages that you visit before, during and after using our Services, information about the links you click, the types of content you interact with, the frequency and duration of your activities, and other information about how you use our Services.

#### **Cookies, Pixel Tags/Web Beacons, and Other Technologies**

We, as well as third parties that provide content or other functionality on our Services, may use cookies, pixel tags, local storage, and other technologies (“**Technologies**”) to automatically collect information through your use of our Services.

##### **Cookies**

Cookies are text files stored on your device to uniquely identify your browser or to store information or settings in the browser to help you navigate between pages efficiently, remember your preferences, enable functionality, help us understand user activity and patterns, and facilitate online advertising.

##### **Pixel Tags/Web Beacons**

A pixel tag (also known as a web beacon) is a piece of code embedded in our Services that collects information about engagement on our Services. We may use pixels in our email campaigns that allow us to collect your email and IP address as well as the date and time you open an email or click on any links in the email. The use of a pixel tag allows us to record, for example, that a user has visited a particular

web page. We may also include web beacons in e-mails to understand whether messages have been opened, acted on, or forwarded.

### **Other**

Local storage technologies, like HTML5, that provide cookie-equivalent functionality but can store larger amounts of data, including on your device outside of your browser in connection with specific applications.

### **Operationally Necessary**

This includes Technologies that allow you access to our Services, applications, and tools that are required to identify irregular website behavior, prevent fraudulent activity and improve security or that allow you to make use of our functionality;

### **Performance-Related**

We may use Technologies to assess the performance of our Services, including as part of our analytic practices to help us understand how individuals use our Services ( see Analytics below );

### **Functionality-Related**

We may use Technologies that allow us to offer you enhanced functionality when accessing or using our Services. This may include identifying you when you sign into our Services or keeping track of your specified preferences, interests, or past items viewed;

See “*Your Privacy Choices and Rights*” below to understand your choices regarding these Technologies.

## **Analytics**

We may use Technologies and other third-party tools to process analytics information on our Services. Some of our analytics partners include:

### **Google Analytics**

For more information, please visit Google Analytics’ Privacy Policy. To learn more about how to opt-out of Google Analytics’ use of your information, please click [here](#).

## **Social Media and Other Platforms**

Our Services may contain buttons for social media and other platforms such as GitHub, Twitter, Telegram, and LinkedIn (that might include widgets such as the “share this” button or other interactive mini programs). These features may collect your IP address, which page

you are visiting on our Services, and may set a cookie to enable the feature to function properly. Your interactions with these platforms are governed by the privacy policy of the company providing it.

## **B. Information Collected from Other Sources**

We may obtain information about you from other sources, including through third-party services and organizations. For example, if you access our Services through a third-party application, such as an app store, a third-party login service, or a social networking site, we may collect information about you from that third-party application that you have made available via your privacy settings.

## **3. HOW WE USE YOUR INFORMATION**

We use your information for a variety of business purposes, including to provide our Services, for administrative purposes, and to market our products and Services, as described below.

### **A. Provide Our Services**

We use your information to fulfill our contract with you and provide you with our Services, such as:

- Managing your information and accounts;
- Providing access to certain areas, functionalities, and features of our Services;
- Answering requests for customer or technical support;
- Communicating with you about your account, activities on our Services, and policy changes;
- Processing your financial information and other payment methods for products or Services purchased;
- Processing applications if you apply for a job we post on our Services; and
- Allowing you to register for events.

### **B. Administrative Purposes**

We use your information for various administrative purposes, such as:

- Pursuing our legitimate interests such as direct marketing, research and development (including marketing research), network and information security, and fraud prevention;
- Detecting security incidents, protecting against malicious, deceptive, fraudulent or illegal activity, and prosecuting those responsible for that activity;
- Measuring interest and engagement in our Services;
- Improving, upgrading or enhancing our Services;
- Developing new products and Services;
- Ensuring internal quality control and safety;
- Authenticating and verifying individual identities, including requests to exercise your rights under this policy;
- Debugging to identify and repair errors with our Services;
- Auditing relating to interactions, transactions and other compliance activities;
- Enforcing our agreements and policies; and
- Complying with our legal obligations.

### **C. Marketing our Products and Services**

We may use personal information to provide you with tailored content, such as through email campaigns. We may provide you with these materials as permitted by applicable law. If you have any questions about our marketing practices or if you would like to opt out of the use of your personal information for marketing purposes, you may contact us at any time as set forth in "[Contact Us](#)" below.

### **D. Other Purposes**

We also use your information for other purposes as requested by you or as permitted by applicable law.

#### **Consent**

We may use personal information for other purposes that are clearly disclosed to you at the time you provide personal information or with your consent.

#### **De-identified and Aggregated Information**

We may use personal information and other information about you to create de-identified and/or aggregated information, such as de-identified demographic

information, de-identified location information, information about the device from which you access our Services, or other analyses we create.

### **Share Content with Friends or Colleagues**

Our Services may offer various tools and functionalities. For example, we may allow you to provide information about your friends through our referral services. Our referral services may allow you to forward or share certain content with a friend or colleague. Please only share with us contact information of people with whom you have a relationship (e.g., relative, friend, neighbor, or co-worker).

## **4. HOW WE DISCLOSE YOUR INFORMATION**

We disclose your information to third parties for a variety of business purposes, including to provide our Services, to protect us or others, or in the event of a major business transaction such as a merger, sale, or asset transfer, as described below.

### **A. Disclosures to Provide our Services**

The categories of third parties with whom we may share your information are described below.

#### **Service Providers**

We may share your personal information with our third-party service providers who use that information to help us provide our Services. This includes service providers that provide us with IT support, hosting, payment processing, customer service, and related services.

#### **Business Partners**

We may share your personal information with business partners to provide you with a product or service you have requested. We may also share your personal information to business partners with whom we jointly offer products or services.

#### **Business Transfers**

If we are involved in a merger, acquisition, financing, reorganization, bankruptcy, receivership, dissolution, sale of all or a portion of our assets, or transition of service to another provider (collectively a “**Business Transaction**”), your personal data may be shared in the diligence process with counterparties and others assisting with the

Business Transaction and transferred to a successor or affiliate as part of or following that Business Transaction along with other assets.

### **Affiliates**

We may share your personal information with our company affiliates for our administrative purposes, including activities such as IT management, for them to provide services to you or support and supplement the Services we provide.

### **APIs/SDKs**

We may use third-party Application Program Interfaces (“**APIs**”) and Software Development Kits (“**SDKs**”) as part of the functionality of our Services. For more information about our use of APIs and SDKs, please contact us as set forth in "Contact Us" below.

### **Legal Requirements**

We may disclose your personal data where required to do so to protect legal rights or under any law, regulation, court order or other legal imperative.

## **B. Disclosures to Protect Us or Others**

We may access, preserve, and disclose any information we store associated with you to external parties if we, in good faith, believe doing so is required or appropriate to: comply with law enforcement or national security requests and legal process, such as a court order or subpoena; protect your, our, or others’ rights, property, or safety; enforce our policies or contracts; collect amounts owed to us; or assist with an investigation or prosecution of suspected or actual illegal activity.

## **C. Disclosure in the Event of Merger, Sale, or Other Asset Transfers**

If we are involved in a merger, acquisition, financing due diligence, reorganization, bankruptcy, receivership, purchase or sale of assets, or transition of service to another provider, your information may be sold or transferred as part of such a transaction, as permitted by law and/or contract.

## **5. YOUR PRIVACY CHOICES AND RIGHTS**

## **Your Privacy Choices**

The privacy choices you may have about your personal information are determined by applicable law and are described below.

### **Email and Telephone Communications**

If you receive an unwanted email from us, you can use the unsubscribe link found at the bottom of the email to opt out of receiving future emails. Note that you will continue to receive transaction-related emails regarding products or Services you have requested. We may also send you certain non-promotional communications regarding us and our Services, and you will not be able to opt out of those communications (e.g., communications regarding our Services or updates to our Terms or this Privacy Policy).

### **“Do Not Track.”**

Do Not Track (“DNT”) is a privacy preference that users can set in certain web browsers. Please note that we do not respond to or honor DNT signals or similar mechanisms transmitted by web browsers.

### **Cookies**

You may stop or restrict the placement of Technologies on your device or remove them by adjusting your preferences as your browser or device permits. However, if you adjust your preferences, our Services may not work properly.

## **Your Privacy Rights**

In accordance with applicable law, you may have the right to:

### **Access Personal Information**

about you, including: (i) confirming whether we are processing your personal information; (ii) obtaining access to or a copy of your personal information in a structured, commonly used, and machine readable format; and (iii) receiving an electronic copy of personal information that you have provided to us, or asking us to send that information to another company in a structured, commonly used, and machine readable format (the “**right of data portability**”);

### **Request Correction**

of your personal information where it is inaccurate or incomplete. In some cases, we may provide self-service tools that enable you to update your personal information;

**Request Deletion**

of your personal information;

**Request Restriction**

of or Object to our processing of your personal information; and

**Withdraw your Consent**

to our processing of your personal information.

If you would like to exercise any of these rights, please contact us as set forth in "Contact Us" below. We will process such requests in accordance with applicable laws.

## 6. SECURITY OF YOUR INFORMATION

We take steps to ensure that your information is treated securely and in accordance with this Privacy Policy. Unfortunately, no system is 100% secure, and we cannot ensure or warrant the security of any information you provide to us. We have taken appropriate safeguards to require that your personal information will remain protected and require our third-party service providers and partners to have appropriate safeguards as well. To the fullest extent permitted by applicable law, we do not accept liability for unauthorized disclosure.

By using our Services or providing personal information to us, you agree that we may communicate with you electronically regarding security, privacy, and administrative issues relating to your use of our Services. If we learn of a security system's breach, we may attempt to notify you electronically by posting a notice on our Services, by mail or by sending an email to you.

## 7. INTERNATIONAL DATA TRANSFERS

All information processed by us may be transferred, processed, and stored anywhere in the world, including, but not limited to, the United States or other countries, which may have data protection laws that are different from the laws where you live. We endeavor to safeguard your information consistent with the requirements of applicable laws.

If we transfer personal information to countries outside the European Economic Area, we will put in place appropriate safeguards to ensure that this transfer complies with the applicable laws and regulations. For more information about these safeguards, please contact us as set forth below.

## 8. RETENTION OF PERSONAL INFORMATION

We store the personal information we collect as described in this Privacy Policy for as long as you use our Services or as necessary to fulfill the purpose(s) for which it was collected, provide our Services, resolve disputes, establish legal defenses, conduct audits, pursue legitimate business purposes, enforce our agreements, and comply with applicable laws.

## 9. CHILDREN'S INFORMATION

The Services are not directed to persons under 18 (or other age as required by local law), and we do not knowingly collect personal information from children.

If you are a parent or guardian and believe your child has provided personal information to our site without your consent, you may contact us as described in "Contact Us" below. If we become aware that a child has provided us with personal information in violation of applicable law, we will delete any personal information we have collected, unless we have a legal obligation to keep it.

## 10. OTHER PROVISIONS

### **Third-Party Websites/Applications**

The Services may contain links to other websites/applications and other websites/applications may reference or link to our Services. These third-party services are

not controlled by us. We encourage our users to read the privacy policies of each website and application with which they interact. We do not endorse, screen or approve, and are not responsible for, the privacy practices or content of such other websites or applications. Providing personal information to third-party websites or applications is at your own risk.

### **Supervisory Authority**

If you are located in the European Economic Area, Switzerland, the United Kingdom or Brazil, you have the right to lodge a complaint with a supervisory authority if you believe our processing of your personal information violates applicable law.

### **Changes to our Privacy Policy**

We may revise this Privacy Policy from time to time in our sole discretion. If there are any material changes to this Privacy Policy, we will notify you as required by applicable law. You understand and agree that you will be deemed to have accepted the updated Privacy Policy if you continue to use our Services after the new Privacy Policy takes effect.
